

Full-day Bike Ride

Pedal easily across awe-inspiring countryside, through real Tuscan villages, vineyards and olive groves

This exhilarating ride is accessible to all with 'magic' bikes, specially equipped cycles with a small electric engine that gives riders the boost they need to get up Tuscan hills and reach the top for fabulous vistas of vineyard-clad valleys. Luca trains you how to get the best out of your wheels and keep up with the die-hard riders in your group who opt for a hybrid or a mountain bike. Everyone can ride together!

Luca takes you off-the-beaten-path on roads and trails where traffic is scarce, stopping for lunch in a quaint Tuscan 'Osteria' for a piping hot dish of 'pici' pasta smothered in ragout sauce. Then back on the saddle for the exciting ride back to base, stopping for a rewarding 'gelato' along the way.

All rides are private, led by an English-speaking guide, and include 3rd party liability insurance plus gear includes bike rental, souvenir canteen, saddlebags, roadside service. Lunch and gelato are not included in ride price.
